

Moves Mapped To Halt Asian Red Invasion

WASHINGTON (AP)—Secretary of State Dean Rusk and Secretary of Defense Robert S. McNamara returned today from a Honolulu conference with "a number of recommendations" for President Johnson on new action to strengthen Southeast Asia against Communist pressures.

Landing at Andrews Air Force Base, Rusk told newsmen "We brought back a number of recommendations, as we usually do from these meetings."

He said "the commitment of the American nation, its people and its government," to protect Southeast Asia against Red aggression "are well-known."

Then he added: "The problem is to make sure the other side fully understands that we mean what we say."

No Plans Approved

Rusk and McNamara were scheduled to see Johnson late in the day after the President's return from a speaking trip to New England.

McNamara was asked whether there are any plans for expanding the Vietnamese war into North Viet Nam. He declared that "no plans have been recommended to the President for approval and none has been approved."

This stopped short of denying that plans have been made by military experts, but it was in line with Johnson's statement Tuesday that he was not personally aware of any plans.

Aides traveling with Rusk and McNamara said much of the planning in the two-day Honolulu strategy conference, which ended Tuesday night, was concerned with ways of strengthening the anti-Communist war effort in South Viet Nam and supporting more effectively the government of Premier Nguyen Khanh.

Impressed By India

Officials returning with the two Cabinet officers declined to say exactly what steps would be proposed to Johnson for achieving the purpose Rusk stated of making Communist North Viet Nam, Red China and the Soviet Union aware of U.S. determination not to let Southeast Asia fall to Red conquest.

McNamara flew from Washington to Hawaii last Sunday.

Rusk went there from India where he served last week as President Johnson's special representative at funeral services for Indian Prime Minister Nehru. He said his time in India had been a "sad but deeply moving experience." He expressed admiration for the manner in which the new Indian leadership had acted to fill the gap created by Nehru's death.

U.S. officials indicated Tuesday night in Honolulu that military action might be taken against Communist North Viet Nam if it and Red China continue backing rebellions in South Viet Nam and Laos. But they said Rusk and McNamara so far have not proposed plans "to enlarge the war to the north" in Viet Nam or to send troops into Thailand.

Up To President

As the Honolulu session ended, newsmen there were told no change was planned in the role of U.S. forces in South Viet Nam—a role which has been described as advisory and training rather than front-line combat.

Actual decisions on what is to be done in the trouble area are up to Johnson.

Administration informants said they rather doubted that Rusk and McNamara would press for any particular combination of actions. These officials thought they would lay alternative possibilities before the President together with assessments of the probable results which might be obtained according to what the President chose to do. Johnson was represented as being determined to do whatever is necessary to secure "the future of Southeast Asia as a whole"—a phrase he used at his news conference Tuesday.

At the same time he was reported anxious to avoid any unnecessary risks or troop commitments. This suggested that what he is looking for at this stage is some use of U.S. power in the area to demonstrate to the Communists that he is determined to meet any challenge they present in order to protect non-Communist regions and at the same time to stabilize peace in Southeast Asia.

Temporary Lull

Johnson stressed the peace theme in a statement to his news conference saying at one point, "It is others who make war, and we who seek peace."

Plant Reopened At Hillsdale; Strikers Angry

HILLSDALE (AP) — Non-striking workers returned to the Essex Wire Corp. plant today as some 200 National Guardsmen — many with bayonets at the ready — and about 50 state policemen maintained a careful scrutiny.

The first carload of non-union employees rolled past the plant gate about 6:45 a.m. There was no union pickets outside.

Within minutes six cars carrying the workers had pulled into the plant grounds while only a few townspeople watched from their nearby front porches or windows.

The cars were stopped by National Guard officers and were allowed to proceed when identification was made.

Gov. George W. Romney gave permission Tuesday for the factory to re-open. At the same time he imposed a curfew and beefed up the guard force to nearly 1,000.

He said five pickets would be permitted outside the plant.

The curfew, which applies to all Hillsdale County, begins tonight. It orders people off the streets from 10 p.m. till 6 a.m. Romney issued the orders in extending his state of emergency proclamation for Hillsdale. He did so Tuesday when company-union negotiations collapsed at Lansing.

Labor Disputes Idle 33,000 In First 5 Months

DETROIT (AP)—Labor strikes in the first five months this year idled nearly as many Michigan workers as in all of 1963, the State Labor Mediation Board said today.

Some 33,000 workers were affected by 51 strikes from Jan. 1 to June 1, the board reported. The U. S. Labor Department said 135 strikes idled 36,800 workers in Michigan last year.

Job Training May Be Linked To Tax Credits

WASHINGTON (AP) — The government is considering a proposal which proponents say would give American job training its biggest boost since the GI Bill.

The idea, proposed by the Federal Committee on Apprenticeship, is to treat job skills like capital investments and give employers tax credits for training new workers and upgrading the abilities of present employees.

"Cost to the employer is the greatest single bar to an adequate apprenticeship and training program in America," the committee said in making the recommendation to Secretary of Labor W. Willard Wirtz.

High Labor Department officials view the recommendation as an important proposal in their efforts to combat growing technological job displacement and persistently high unemployment.

The apprenticeship committee — made up of one government, five management and five labor members — carries considerable weight. Its recommendations have led to federal equal employment policies and other important programs in job training in the past.

The committee said employers should be encouraged to undertake more job training by granting them a tax write-off at least as great as the 7 per cent they now get for certain capital expenditures designed to spur business investment.

But, the committee indicated, an even higher tax credit would be justified because of the risk involved in training a man for a job and then losing him to a competitor.

The committee said the government has made no large scale contribution to on-the-job training since Congress passed the GI Bill after World War II to train and educate war veterans.

The committee's unanimous recommendation urges tax credits on the salary and other costs of instructors, bookkeeping costs, training material, cost of time spent in class by apprentices during paid working hours and a certain percentage of the salary of foremen who work with trainees.

Brooklyn Mother Has Quadruplets

NEW YORK (AP)—A 30-year-old woman gave birth Tuesday to quadruplets.

One boy and three girls were born to Maria Peloro at Interborough General Hospital in Brooklyn. All the babies were delivered within half an hour.

The father, Salvatore, is an unemployed plumber.

American Gift Boots Too Big For Laos Soldiers

BAN NA LONG, Laos (AP)—A company of right-wing troops in this desolate Laotian village has found American aid a trifle too expensive.

A supply of rubber-soled canvas combat boots arrived the other day as part of U.S. assistance to the little kingdom's anti-Communist forces.

Only one man, the biggest in the company, found a pair he could use. The boots ranged in size from 10 to 12F. The average Laotian soldier wears a 5 or 6.

Homage Paid To Pope John

VATICAN CITY (AP)—Pope Paul VI led the Roman Catholic Church today in homage to Pope John XXIII on the first anniversary of his death.

The pontiff descended into the crypt beneath St. Peter's Basilica to celebrate a memorial Mass before the flower-decked tomb of Pope John. Then he knelt for several minutes in silent prayer.

A succession of Masses followed before the tomb. One was celebrated by Msgr. Loris Capovilla, who was Pope John's private secretary.

Another memorial service was scheduled at Sotto il Monte, Pope John's native village where his brothers still work their farms.

Pilgrims by the thousands thronged to the pope's birthplace in the north Italian mountains. A petition with 50,000 signatures, asking the start of a beatification cause for Pope John, was brought to Bishop Clemente Gaddi of the Bergamo diocese, which includes Sotto il Monte.

Beatification is the first step toward possible sainthood. It was at dusk last June 3 that Pope John died at the age of 81 after four days of agony from a stomach tumor.

He had reigned less than five years, but the work he began—the renewal and transition of Roman Catholicism—lives on.

Paz Foes End Hunger Strike

LA PAZ, Bolivia (AP)—Two former allies of President Victor Paz Estenssoro ended a four-day hunger strike against his re-election Tuesday night but said they would try to unite political opposition to the president.

Vice President Juan Lechin and former President Hernan Siles Suazo said they were joining the Authentic Revolutionary party and would call on other opposition political parties to join against Paz Estenssoro, who won a four-year term Sunday.

New York Puts 1,000 Cops On Hoodlum Patrol

NEW YORK (AP) — Nearly 1,000 policemen soon will be patrolling New York City's streets and subways on an overtime basis in a campaign to halt attacks by Negro hoodlums on whites.

The additional patrols were ordered Tuesday by Mayor Robert F. Wagner, who said: "I am determined we are going to have law and order in this city of ours."

The order came two days after the Memorial Day weekend hoodlums on four subway trains and a Staten Island ferry. Bands of Negro teen-agers terrorized, robbed and beat whites.

Wagner also ordered all 20,000 patrolmen to wear their uniforms to and from work. Most travel by subway.

He ordered a speed-up in the installation of an experimental two-way radio network in sub-

way trains. One Manhattan subway line is expected to get such a system in four to six months.

Wagner expressed concern over the anti-white rampages of Negro gangs, but he added: "There are other gangs in the city besides Negro and Puerto Rican; there are white gangs." Civil rights leaders have deplored the attacks, but say frustration of Negroes in their search for adequate education, employment and housing is responsible.

Wagner met with police and Transit Authority officials for an hour and then announced that within two days 500 city patrolmen would be assigned to the streets and 200 transit police to the subways, both groups on overtime.

Each patrolman on the force will be required to work an extra eight-hour tour from 6 a.m. to 2 a.m. every 20 days.

Big Bloc Of 86 Delegates Lost By Rockefeller

SAN FRANCISCO (AP)—Sen. Barry Goldwater swept to a stunning California victory and a commanding position today in the Republican presidential race.

By a narrow margin, the Arizona senator captured a rich bloc of 86 delegates from Gov. Nelson A. Rockefeller in California's showpiece primary Tuesday.

Rockefeller captured most of the state's 58 counties, but a decisive surge for Goldwater in late Southern California returns, chiefly from Los Angeles, nailed down the bitter contest for the Westerner.

Results from 29,800 of 32,861 precincts showed: Goldwater, 969,957; Rockefeller, 938,386.

Saling Victory

The victory in the last presidential primary before the July 13 GOP National Convention brought Goldwater within striking distance of the 665 votes he'll need for the nomination.

He called it a "giant step" toward his quest to lead the Republican ticket in the November election.

Pierre Salinger, former White House press secretary, trounced State Controller Alan Cranston for the Democratic nomination for the U.S. Senate seat held by ailing Democratic Sen. Clair Engle.

The Salinger victory dealt a setback to Gov. Edmund G. Brown and other party elements who supported Cranston. It showed, too, the vote-pulling power of the Kennedy image, used heavily by the press secretary to the late president.

The 39-year-old former San Francisco newspaper reporter, who couldn't even vote for himself because he's registered in Virginia, will face the Republican nominee, onetime actor George Murphy.

Nomination Clinched?

Brown, however, won another intraparty squabble. His 154-state of delegates to the Democratic National Convention defeated a rival slate headed by Mayor Samuel W. Yorty of Los Angeles.

Goldwater's presidential primary sweep came only after a cliffhanging count of votes that had Rockefeller ahead for a while.

GOP National Chairman William E. Miller said the California results pushed Goldwater very close to the 655 convention votes needed for the nomination.

Gov. Mari O. Hatfield of Oregon, who will serve as convention keynote speaker and temporary chairman, said the senator appeared to have clinched the nomination.

Goldwater flew to Washington after watching early results flow into his Los Angeles headquarters. He claimed victory at 8 p.m. Tuesday on the basis of electronic computations.

The final outcome wasn't definite, however, until Los Angeles, with 40 per cent of the state's vote, reported the bulk of its ballots — and Goldwater maintained his commanding lead there.

There were eyebrow-raisers in some of the other elections. Rep. Charles A. Buckley, a 30-year veteran in the House and chairman of the Public Works Committee, succumbed to the reform candidacy of Jonathan A. Bingham, a Yale man and former aide on the U.S. delegation to the United Nations.

Buckley, Democratic leader in the Bronx, had the support of Atty. Gen. Robert F. Kennedy while Bingham had backing from Mayor Robert Wagner of New York, among others.

One of Buckley's chief lieutenants, Rep. James C. Healey, also bit the dust in his bid for Democratic nomination to a fifth term. He was defeated by another reform candidate, James H. Scheuer.

In Alabama Rep. Carl Elliott, a House Rules Committee member bidding for a ninth term, appeared headed for defeat in that state's Democratic primary.

He was running last in a low-man-out field of nine district nominees, a situation created by the failure of the Alabama Legislature to redistrict the state after the 1960 census.

Tactics Shifted In Rights Debate

WASHINGTON (AP) — Both sides shifted tactics today in the Senate's civil rights debate.

Southerners stood by, saying they were ready to vote on some amendments, while the measure's backers took up the speaking chores.

Dixie senators called this a "counter-filibuster." But Senate leaders said the change of heart came too late, that all of their plans now were centered on the cloture vote set for next Tuesday.

If the bill's supporters muster the necessary two-thirds vote for cloture, all further debate will be limited tightly and leaders are confident the bill then can be passed by the third week in June.

"I have confidence in the action that the Senate will take," President Johnson told a news conference Tuesday. "I believe it will pass a good bill."

The Southerners, who have prevented voting on the bill except on two of the 69 days of debate so far, decided on their change of strategy at a caucus Tuesday.

But when their leader, Sen. Richard B. Russell, D-Ga., announced this on the floor, Democratic Leader Mike Mansfield of Montana said he saw no possibility of arranging votes this week now.

Mansfield said that the bill's

sponsors would need considerable time to explain the revised version which Senate leaders expect to win the votes needed for cloture.

Assistant Democratic Leader Hubert H. Humphrey of Minnesota, the bill's floor manager, told newsmen he would lead off with a speech explaining the substitute in detail today.

Republican Leader Everett M. Dirksen of Illinois, chief author of the revised bill, had planned to do this but was ill with a heavy cold and deferred his speech. Mansfield co-sponsored the revisions with Dirksen.

Chartered Bus Skids; 3 Killed

GURNEE, Ill. (AP) — Three women were killed and 47 other persons injured Tuesday when a chartered bus struck a bridge and overturned on a rain-slick highway.

Sheriff Charles E. Larson said a mechanical failure on the bus may have caused the accident on U.S. 41, about 40 miles north of Chicago. The bus was en route to Milwaukee, Wis.

Larson said several passengers told him the driver, Clarence Lorch, stopped the bus and "got out with a wrench and monkeyed around with a back wheel" a few miles before the accident. Lorch, who was 60 on Tuesday, was listed in critical condition at a hospital in nearby Waukegan. He was not questioned.

Four women passengers were described in critical condition.

The 49 passengers, all women, were returning to Milwaukee from a tour of the Avon Products, Inc., cosmetics plant in Morton Grove, a suburb of Chicago.

Although the tour was privately sponsored, most of the women are members of the Christian Mothers Society at St. Paul Roman Catholic church in Milwaukee.

The dead were identified as Angela Santarelli and Stella Cieski, both of Milwaukee; and Jean Posto of South Milwaukee.

One of the passengers on the bus, according to relatives in Manitowish was Mrs. Leo (Orla) Chartier, 55, of 208 Chipewa Ave., Manitowish. No word has been received from Mrs. Chartier.

Canal Finished

MOSCOW (AP) — The Soviet Union has completed a 224-mile canal from the Baltic Sea to the Volga River. The Soviet news agency Tass said it will take over at least 15 million tons of cargo a year from overburdened railroads.

White Youths Smash Windows

JACKSON, Miss. (AP)—Two huge plate glass windows in front of the Council of Federated Organizations (COFO) office were splattered by rock throwing white youths Tuesday night, police said.

A white minister from Michigan and a summer volunteer of COFO were hit by rocks, a COFO spokesman said, but they were not injured.

Capt. D. B. Harrell of the Jackson Detective Bureau said an investigation was being made. Robert Wilde of COFO said two carloads of white youths passed by the office in a predominantly Negro neighborhood and threw the rocks.

He said Rev. R. Dotson of Ann Arbor, Mich., and Nedra Winand of Altadena, Calif., were brushed by the rocks.

The minister and a handful of COFO workers were unloading a car in front of the office.

Wilde said that Sunday morning other office windows were knocked out by unknown persons.

COFO is a pro-integration organization representing the major civil rights groups. The group has been active in civil rights work in the state since its formation last year.

Lions Meet To Draw 400 Here For Weekend

Lions and their ladies of the Upper Peninsula will gather here Friday evening 400 strong for the annual convention.

The order has 55 clubs in the U. P. with 1,725 members and its annual reunion here will find the 10 Delta County Lions Clubs acting as joint hosts to members of the other Upper Peninsula Clubs.

Host club is the Escanaba Lions Club, one of the oldest in the Upper Peninsula, and its co-hosts are the Escanaba Township, Bark River, Ford

River, Wells, Cornell, Gladstone, Rapid River, Rock and Perkins Lions Clubs.

The governor's banquet at The Terrace Saturday evening will cap a day-long program and the convention will end with a final business session and election on Sunday morning and an international luncheon at Marco's.

The meetings will offer a distinguished group of speakers including District 10 Governor Alden S. Clark of Marquette, who will preside at the business sessions; C. LaVern Robbins of Battle Creek, director of Lions International; Edward M. Lindsey of Lawrenceburg, Tenn., third vice president of Lions International who will address the banquet meeting and blind William H. McReady, prosecuting attorney at Tawas City, Mich., and a Lions district governor, will address the international luncheon on Sunday at Marco's.

The convention will start with registration at the Escanaba Chamber of Commerce Building Friday afternoon and evening. There will be golf at the Highland Golf Club and Escanaba Country Club Friday afternoon and a mixer and smorgasbord Friday evening at Marco's.

The Key awards breakfast Saturday morning will be at the Sherman Hotel, business sessions will be at William Bonifas Auditorium and a ladies luncheon and a mixer and show will be held at the House of Ludington Saturday noon.

Harold T. Olson of Escanaba is general chairman of the convention.

The Escanaba Daily Press has 95 per cent coverage in the City of Escanaba, 94 per cent in the City of Gladstone, 90 per cent in the City of Manistique and 83 per cent throughout Delta County. The Daily Press is a welcome visitor in 10,400 homes daily in a five-county Central Upper Peninsula area. Smart advertisers use the Escanaba Daily Press.

GARY KENNETH LaCombe, a senior at the Tremay High School and son of Mr. and Mrs. William LaCombe, has been selected by the Mathias Township School faculty to attend the Wolverine Boy's State at East Lansing from June 18-25. The Lion's club has sponsored the trip to Boy's State for the past ten years.

Wells School Bids Asked

The Escanaba Area Public Schools board of education will open bids on June 16 for the construction of a two-classroom addition to relieve overcrowding at the Wells Central School.

Preliminary plans for the addition, designed by G. Arntzen Architects of Escanaba, were approved by the school board at a special meeting Monday night.

No bond issue will be required to finance the structure. Funds will come from money in a building and site fund of the former Wells Township school district, transferred to the Area district at the time of annexation and now with earnings amounting to a total of \$21,000; plus possible other surplus in Catherine Bonifas funds.

The estimated base bid for the project is \$29,000, said Norman Arntzen, architect.

The proposed addition will have two classrooms each 28 by 30 feet, toilets, and a corridor to connect with the existing building on the west end of the Wells Central School. The addition is so designed that it may be added to in the future.

There is the request for an alternate bid which, if the proposals are low enough, would permit construction of one larger classroom so that it could better be used for much-needed kindergarten purposes. The addition will be constructed of masonry and brick to harmonize with the present building, and it will be heated from the present school heating plant.

Public Invited To Cable Party

Delta TV Cable Co. General Manager George Baldwin is inviting the public to join in celebrating the firm's move into its new headquarters at 612 Ludington St. the latter part of the week. The office formerly was at 604 Ludington St.

Open house is planned for two days, Thursday from 1 to 5 p. m. and Friday from 1 to 9 p. m.

Varied refreshments will be served to visitors during the open house hours and gifts will be presented to those who register. Special awards will be made Friday at 8:30 p. m.

Delta TV Cable has been serving the Gladstone, Wells and Escanaba communities and area with cable television service three and a half years and now has 3,300 customers on its system, bringing them four channels of TV programming daily.

It has applied to the Federal Communications Commission for permission to add to its offerings the programs of WGN-TV, Chicago and Channel 9, Cadillac, Mich., to augment its local offerings with Chicago and Lower Michigan programs.

Vorin Heads Legion Post

POWERS-SPALDING—Joseph Vorin was elected commander of the Tony Revord Post of the American Legion, succeeding Ronald Gatten, at an election of officers and meeting at the Legion Clubrooms at Powers last night.

Vorin is a veteran of World War II, he lives at Spalding, is married and is the father of four children.

Other officers are John Mikus, senior vice commander; Wayne Miller, junior vice commander; Cippy Pellegrini, adjutant; Irving Hafeman, finance officer; Alvin Kinberg, sergeant at arms; Edward Wiechek, chaplain; and Lester Lauscher, historian.

Miss Janet Poquette, Menominee's Centennial Belle presented a program including colored slides of her Florida trip as a representative of Michigan.

Lunch was served by the Legion Auxiliary.

Economic Gains Conference Aim

Industrial projects and business investments to achieve the full economic potential of the Upper Peninsula will be developed at a Governor's Conference on Economic Opportunity called by Gov. Romney at Northern Michigan University, Marquette, June 17 and 18.

Purpose of the conference is to recognize the opportunities for economic expansion in the Upper Peninsula and to recommend courses of action.

The Governor said:

"Recent developments in the Upper Peninsula and the growing spirit of confidence make this an appropriate time for a well-planned campaign for continued progress. New life in the mining industry has revitalized the Upper Peninsula. Other recent industrial developments have also stimulated a new attitude of optimism. There is a wave of confidence, and an eagerness to work for

the benefit of the area. It is important that we continue this enthusiasm and seize the opportunity to further realize the potential of the U. P.

"It is for these reasons that I am calling together leaders in business, industry, agriculture education and government of the Upper Peninsula. I am also inviting leading people from the Lower Peninsula, and from neighboring states."

The conference program will include presentation the broad range of economic opportuni-

ties in the fields of mining, manufacturing, tourism, services, wood resources, and agriculture. Separate sections will be organized to concentrate on specific areas. There will also be opportunities for informal contacts between U. P. leaders

and guests from outside the U. P.

Conclusion and recommendations arrived at by the Conference will be presented by the Governor at the luncheon meeting on June 18.

Cover Contest Winner Named

A Houghton High School senior, Darlene Waattli, has been named first prize winner of the cover contest sponsored jointly by Bancroft Dairy and the Upper Peninsula State Fair. Her drawing for the 1964 Fair Premium Book, among more than 400 entries from all over the Upper Peninsula, won the contest and she will be awarded a portable TV set.

Other winners in the contest who will be awarded transistor radios are:

Region 1, Bonnie Moen, seventh grade Hiawatha Township School, Schoolcraft County; Region 2, Claudette Vanlerberghe, eighth grade, St. Joseph's School, Escanaba; Region 3, Diane M. Collins, a senior at Negaunee High School; Region 4, Carol Maki, a senior at Jeffers High School, South Range.

The winning contestants will be invited to appear at a special program to be viewed over TV Station WLUC, Marquette, some time this month at which time the awards will be given.

Ray LaPorte, secretary manager of the U. P. State Fair, said this marks the fourth year that Bancroft Dairy has sponsored the cover contest in cooperation with the Fair.

Hundred Year Look

Escanaba will observe the centennial of its ore traffic Saturday, July 11.

The celebration will be a tribute to the Chicago & North Western Railway which created the ore traffic to the Port of Escanaba a hundred years ago with its construction of the Peninsula Rail Road Co. from Negaunee to Escanaba. The road was started in 1863 and the first ore moved over its rails to be loaded into wooden sailing vessels at Escanaba in 1864.

The Civil War still was being fought when the ore haul across the Upper Peninsula to a port on Lake Michigan started. Indeed the Civil War was the chief reason for the construction of the Peninsula Rail Road to haul hematite from the Marquette Range to Escanaba.

The Chicago & North Western Railway had been building its tracks northward from Chicago through Wisconsin for many years, but the progress was very slow and it would take many years at the then rate to reach a rail head on Lake Superior. So the North Western leaped ahead and built the Peninsula Rail Road as a part of its system, detached from the main network of its trackage to the south.

It was not until 1872—eight years after ore started moving overland from the Marquette Range to Escanaba—that the North Western finally extended its rails to Escanaba and incorporated the Peninsula Rail Road (it was called the North Western much earlier) into its main system.

It has been one interconnected system ever since and it has seen a great many changes in a century. Part of the early traffic to Escanaba brought ore from the pioneer Jackson Mine at Negaunee—first of all Upper Peninsula and Lake Superior Area iron mines—to be smelted in the Jackson Iron Co.'s charcoal iron furnaces at Fayette on the Garden Peninsula.

There were other charcoal iron furnaces along Lake Michigan's north shore at Menominee, Escanaba, Wells, Kipling, Manistique and St. Ignace and in the Upper Peninsula interior, especially in the Marquette area, and at Munising and Newberry. All are long gone, the last in the 1930s, but the iron industry supplying raw material to America's steelmakers continues an important industry in the Upper Peninsula and one of the chief hopes of the area for future industrial growth.

When the first iron was mined on the Marquette Range, America's steelmaking underwent a revolutionary change. The long period of low grade bog iron production phased out and the new era of high iron content ores was opened. The end of the century finds the iron industry in another historic change from a standard of Lake Superior direct shipping ores of about 51 per cent iron content to one in which the furnace companies prefer pelletized iron with an iron content in the 60 per cent range.

In the past century, and particularly in that part of it since World War II, there has been a discovery of huge iron deposits in many other parts of the world and of development of some of these deposits for the production of furnace feed. There will never be another emergency like World War II which draws so much of its steel materials from once source as that war drew from the Lake Superior district's iron deposits.

The existence of iron ore today is not much more meaningful, in itself, than it was in Indian days. It takes development to make it commercially valuable and a big factor in this process is transportation. Can it be mined and transported to steel mills so its price there is competitive with those of other preferred iron sources? These are the crucial questions in the industry today.

The Chicago & North Western Railway has helped solve them to a degree that has kept Escanaba important as an ore shipping port for a century, and which has given it good hope of a substantial future in this business. The North Western has made a large investment in a modern ultra-rare ore thawing shed in Escanaba; it is currently spending more than \$1,300,000 on the improvement of its ore dock in Escanaba.

For these reasons and for several other reasons the chief executive officers of the North Western will be honored by Escanaba in its Ore Centennial celebration. The other reasons include admiration of the courage and skill which Board Chairman Ben W. Heineman and President Clyde J. Fitzpatrick have demonstrated in the modernizing of the North Western to meet huge challenges of change in Midwest transportation.

Washington Comment

By BRUCE BISSAT

WASHINGTON — (NEA) — An inquiry is under way into which complete figures are available, 78 law enforcement officers were killed by criminal action. The 1960-62 total was 113. Injurious assaults number in the thousands.

Police trying to make arrests for minor traffic offenses, often find themselves surrounded by menacing crowds. Sometimes these situations suddenly take on racial overtones. A documented case:

An intoxicated Negro woman driver strikes another car. Stepping out, she tries to pretend she was not driving. When ordered to get into a police vehicle, she shouts: "My civil rights are being violated." A gathering crowd of 50 curious Negroes rumbles angrily, stops just short of attacking the police.

By their present inquiry, by their conduct of civil rights work shops and other reviews of the problem, responsible police leaders indicate they are trying to assess fairly their performance and their proper role in dealing with racial tensions. There is not yet much heartening evidence of similar concern from all civil rights leaders who press their demands in the public streets.

Laura Nicholas of Escanaba will preside at the annual meeting of the Upper Michigan District of Rebekah lodges which begin their session in Escanaba this afternoon.

Robert, the 12-year-old son of Mr. and Mrs. Robert Cass of Escanaba, will not be satisfied with just perch hereafter when he fishes in the Escanaba yacht basin. Yesterday he pulled in a 10-pound Northern Pike. He was all alone when it happened.

Dr. A. J. Carlton, who has served eight terms on the Escanaba Board of Education, announces that he will not be a candidate this year.

Four new firemen have been added to the city's staff, according to announcement by Chief Arvid Johnson. They are: Theodore C. Nelson, Clarence C. Schrader, Joseph R. Vogel and John D. Kirkpatrick.

Miss Alma Strick of Escanaba was elected treasurer of the Upper Peninsula Association of Rebekahs held a few days ago at Norway.

About five hundred men are fighting a fire in an area north of Republic with odds severely against them. Back firing of a truck while crossing a field, is said to have started the fire. Already a vast area is blackened.

Stephen Simonsen has been awarded the Bosch Memorial freshman scholarship to Michigan Technological University at Houghton. He was valedictorian of his class this year, active in track, basketball, band and 4-H.

Baldwin Township voters will elect two of the three candidates to fill the position of school board trustee. Candidates are Emil Norden, Walter Trudell and Mrs. Edith McNutt. In the June 8 election the renewal of the 2 mills for 5 years for school use will also be on the ballot. This will also mean an increase in the mills, but is simply a renewal of the present 2 mills.

The Royal Neighbors of America met at the home of Mrs. Emil Norden. A buffet luncheon was served which featured a "Scripture Cake". The recipe for the "Scripture Cake" is unique in that each ingredient has reference to a piece of Scripture. A lifelong member present at the meeting was Mrs. Ida Wick. Prizes went to Mark Branstrom and Mrs. Emil Norden. Mrs. Norden was assisted by Mrs. Charles Nordstrom. The next meeting will be held at the home of Mrs. Ruby Sharkey.

Although some observers report good results with this drug, others say that a strong motivation to quit smoking without the use of lobeline will achieve better results than a weak motivation plus lobeline.

A team composed of a doctor (J. W. McFarland) and a minister (E. J. Folkenberg) have written a book entitled "How to Stop Smoking in Five Days," claiming success in 75 per cent of those who use their out in lozenge form (Niko-method).

Many plans have been advanced to help smokers to kick the habit. One method consists of substituting another activity such as chewing gum. This is most effective when cigarettes are used principally to relieve boredom. Another method, especially applicable to those who might be described as jittery smokers, is a short course of tranquilizing drugs as a temporary crutch.

Another drug that has long been used to help break the habit, lobeline, has been put out in lozenge form (Niko-method).

Ann Landers

Office Involved In Ghoul Pool

Dear Ann Landers: I work in an office where at least once a week someone approaches me about joining an office pool. If it isn't the Rose Bowl, a professional football game, or the Kentucky Derby, it's the All-Star game or the World Series.

Gambling is against my principles but I have never criticized those who do it. I just say "No" and let it go. Something new has come up, however, and I wonder if I should say something.

Five of my co-workers have formed a pool in which each of them has listed the names of 100 famous people who may die during 1964. When one of these people dies, the ones who had his name add points to their scores by deducting the age of the deceased from 100. Recently a well known American died. Mr. X came bounding into the office all smiles and announced triumphantly "He was on my list."

Under the rules it says, "If the player himself dies, ten points should be added to his score. If at the end of the year he is the winner, the proceeds of the pool should be spent for flowers for his grave, unless the surviving players should vote to have a party."

What do you think of this?—D. F.

Dear D. F.: What you describe is a re-heated version of the old ghoul pool. Anyone who would make a game out of death is a tasteless clod.

Dear Ann Landers: This is an emergency. I need help right away. I am 21, my fiancée is 24. The wedding has been planned for September. I learned today that I am pregnant.

I'm ashamed to tell you how ignorant I am about these things. It will break my mother's heart if we don't have the big wedding as planned. That's all Mom has talked about for months.

The doctor said the baby is due in six months. Do you think if I wear a tight girdle and stand up straight I can get away with it? Hurry your answer—and put it in the paper, please. I can't have your reply coming to the house.—FINGERS CROSSED

Dear Crossed: Sorry, I can't be of much help. I don't know if you are slim or heavy, whether you will gain 10 pounds or 40 pounds. Some girls look pregnant in the third month and others look as if they are going to a dance when they are really going to the hospital to deliver.

People can and do count, so don't plan on putting anything over—even with the help of a tight girdle. Your best bet is to level with your mother and ask her what she thinks should be done.

Dear Ann Landers: My sisters and I plan to give a party in honor of our parents' 35th wedding anniversary. Since my

The Lions club of Region 2, District 10 met at the Rock Lions club house. Elected as Deputy District Governor was Lawrence Gorsche of Manistique. Incumbent District Governor, Leo Kulki of Rock presided.

Represented at the meeting were Trenary, Chatham, Munising, Germfask-Seney, Manistique, Gladstone, Cornell and Rock clubs.

Also held on the same evening was a meeting of Zone 2 of Region 2 of Lions District 10. Leo Kulki of Rock was elected Zone Chairman. Serving the previous year was Norman Slough of Rapid River.

The Rock American Legion Auxiliary will meet at the club house today, June 3, at 8 p. m.

Citizens Form School Group

Organization of a group tentatively named "Citizens for Better Education" was completed at a meeting of about 50 persons of the Escanaba Area Public Schools district last night at the Webster Annex.

Dr. Edward Kuivinen, Escanaba dentist, was chosen chairman of the organization; Claude Bohn is co-chairman; Mrs. Catherine Hockstad is secretary; and Mrs. L. Olson, treasurer.

The purposes and aims of the group toward improvement of educational program and facilities in the Area were discussed and it was decided to rotate meetings at the several schools in the district.

The next meeting will be held at the Wells Central School at 7:30 p. m. Monday, June 8. All interested citizens were invited to attend.

At the next meeting Robert Haack will present a report on past school issues and campaigns.

Co-chairman Bohn reported on the support of schools in other communities comparable in population and income:

Escanaba—\$137 per pupil; Marquette \$220, East Grand Rapids \$310, Niles \$177, Willow Run \$255, Dearborn \$266, Benton Harbor \$199, Rochester \$243, Traverse City \$158, Mt. Pleasant \$179.

Briefly Told

Halvdan Anderson reported to State Police that a motorist struck and damaged his mail box on Route 1, Bark River.

Anton Gornick, Route 1, Rapid River, reported to State Police that his mail box was stolen Monday night.

The Citizens Safety Advisory Committee will meet at 7:30 this evening in the council chambers.

Delta County Clerk William Butler has received applications for marriage licenses from: John Erickson, 611 S. 17th St., and Judith Ann Cook, 118 1st Ave. S.; and from Thomas Garity, Houghton, and Jane Sanderson, Gladstone.

Jerome A. Nelson, 209 N. 10th St., reported to Sheriff Cully Johnson that at 9:20 p. m. Tuesday his car struck a deer one mile south of M-69 on U. S. 2-41. The deer ran from the side of the road into the car and caused more than \$100 damage.

Gladstone State Police have issued traffic law violation tickets to: Donald VanEnkevort, Bark River, no registration plate and no operator's license; Stella Rodman, 2107 Lake Shore Drive, no operator's license; Donald Kaupila, Calumet, speeding.

Gladstone State Police are investigating several larcenies on the Perkins Road off U. S. 41. William Ape reported that 60 gallons of gasoline were taken from the saddle tank of a truck next to his home Monday night. Paul Zierk of Chicago said a large bottle gas tank was taken from the side of his cottage in the same area sometime since last fall.

The planning committee for Escanaba High School class of 1924 reunion, to be held July 4 in the Marine Room of the House of Ludington, is seeking the addresses of four members of the class, Irene Hanson, Leland Hanson, Esther Keck and Robert Shelton. Anyone having this information is asked to call Atty. John G. Erickson, ST 6-2299.

Traffic court summonses have been issued by Escanaba police to Gerald J. Groos, Gladstone Rte. 1, no license plate attached; Viola M. Couillard, Cornell, expired operator's license; Joanne Priestner, Escanaba Rte. 1, improper lane usage; Arnold R. Gagnon Jr., 802 Superior Ave., Gladstone, speeding; Lawrence H. Pardee, 1117 1st Ave. N., defective head light; and William E. Whitney, 209 N. 13th St., speeding.

John Manning

Death Takes J. J. Manning

John J. Manning, 78, 810 1st Ave. S., life-long resident of the community and prominently known Escanaba merchant, died Tuesday afternoon at St. Francis Hospital, where he was admitted earlier in the day.

He was born in Escanaba in September of 1886. He attended St. Joseph's School and was a life-long member of St. Patrick's Church where he was a former trustee, and for many years, head usher. He recently was honored as a 50 - -year member of the Knights of Columbus, of which he was a Fourth Degree Knight.

In his earlier years, he was an avid golfer and was a charter member of the local golf clubs. He enjoyed ice skating all of his life and gave up that interest only when he was 70 years of age. Mr. Manning was known for his daily walks on Ludington St., a street on which he spent 64 years in business.

He started his career in the shoe business as a shoe shine boy in the old C. R. Williams Store. In 1916 he formed a partnership with Taylor Peterson, purchased his employer's store and entered the retail shoe trade as Manning-Peterson Shoe Store. In 1919, after Guy W. Sullivan had joined the firm, they opened a second store in Hancock which Peterson took over in 1924. The local business continued as the Manning-Sullivan Store until Mr. Manning purchased the sole interest in 1940. He was joined in the business by his son, Jack, after he had completed a tour of duty in World War II.

Mr. Manning, whose wife, Adalene, died in June of 1946, is survived by his son, Jack, Escanaba; and his daughters, Mrs. F. D. (Regina) Buerstetta of Pleasant Ridge, Mich.; and Mrs. Thomas (Mary) Hughson of Escanaba. Also surviving are two sisters, Mrs. Ed (Maude) Loeffler of Centerline, Mich., and Mrs. Horace (Ruby) Provo, Escanaba, and eight grandchildren.

The body is at the Degnan Funeral Home where friends may call after 2 p. m. today. Parish prayers will be recited at the funeral home at 8 this evening. Fourth Degree Knights of Columbus will form an honor guard at the funeral chapel and at the funeral.

Services will be held at a Requiem High Mass Thursday at 9 a. m. at St. Patrick's Church with the Rt. Rev. Msgr. Martin B. Melican officiating. Burial will be in the family plot in Holy Cross Cemetery.

Escanabans Are State Officers

Two Escanabans were named to office at the annual meeting of the Women's Auxiliary to the Michigan Optometric Association, held recently at Boyne Mountain Lodge. Mrs. M. H. Garrard Jr., is Foundations and Research chairman and Mrs. William Hemes was elected 2nd vice president. Both will serve two-year terms.

Garden To Host History Picnic

The 1964 summer picnic program of the Delta County Historical Society will be held at Garden village on Sunday afternoon, July 12, with people of the Garden area the hosts for the event.

Members of the Schoolcraft County Historical Society are being invited to join in the program that will include family picnics starting at noon at the Garden School grounds.

Arrangements for the program that will present the history of the Garden community—its local government, schools, churches, farming and industry—are being made by a local committee that includes James D. Dotsch, Alfred LaValley, Frank Casey, Rufus Spalding, Mr. and Mrs. Walter Hornstein, Robert Tatrow and others.

One of the features of the program will be information presented about the pioneer families of the area. Some of the family histories date back a century or more.

A committee of the Delta County Historical Society is working with the Garden group in preparation of histories to be presented at the picnic program, which will become part of the records of the Historical Society.

Charles Follo, Historical Society program chairman, and George Embs, past president, met with the Garden committee recently.

The Garden Grange is cooperating in the program planning and will serve coffee to the picnicers at the grounds between noon and 2 p. m.

Air Search To Tell Geology Of Lake Bottoms

EAST LANSING — Michigan State University geologists leave from Capital City airport Thursday morning to learn what's under the Great Lakes by flying over them.

About 100 feet behind their leased two-engine airplane, they will be trailing a device that looks like a two-foot-long bomb, but is actually an instrument that senses slight variations in the earth's magnetic field.

These variations will be collected, processed and recorded by a bank of electronic instruments in the airplane.

Later, when the data is analyzed, it will give the researchers a good idea of the geological structures under the lake and provide clues to what oil or other mineral wealth might be hidden there.

Collecting the information calls for shuttling 154 times at 6-mile intervals across Lakes Michigan, Superior and Huron. The project, supported by a \$44,100 grant from the National Science Foundation, is under the direction of Dr. William J. Hinze and Dr. James W. Trow of the MSU geology department.

Open House For Robert Haacks Silver Wedding

Mr. and Mrs. Robert Haack will be honored Sunday, June 7, at an open house celebrating their silver wedding anniversary.

Neighbors and friends are invited to call at their home at 750 Lake Shore Drive in Escanaba from 2 until 5. No formal invitations have been sent.

Hosting the Sunday afternoon open house will be the couple's daughter, Judith Haack of Grand Haven and their two sons, Robert and Scott of Escanaba.

The Haacks were married June 3, 1939, at Caro, Mich.

Mr. Haack is district superintendent for Standard Oil Co. He has been employed by Standard since 1937 in various capacities in Michigan and Wisconsin. Mrs. Haack is an elementary instructor in the Soo Hill School.

They have resided in Escanaba since 1957.

Women's Activities

Isabella

Mr. and Mrs. Pat Moberg and two sons of Detroit are visiting his parents, Mr. and Mrs. Gust Moberg.

Mr. and Mrs. William Vintette of Orangevale, Calif., and their guests, Mr. and Mrs. Charles Pope, also of Orangevale, are visiting Mrs. Rose Nepper and Mrs. Ellen Deloria and other relatives.

Mr. and Mrs. Charles Segerstrom and son of Chicago are visiting his mother, Mrs. Adeline Segerstrom.

Alc Blaine Legault of Madison spent the weekend holiday with his parents, Mr. and Mrs. Henry Legault.

Mrs. Lottie Groleau of Detroit visited the Caleb Johnsons over the weekend.

Clifford Bourgeois of Walled Lake spent the weekend at the home of his sister, Mrs. Vern Peterson.

Births

AMMEL — Mr. and Mrs. Bernard J. Ammel Jr., 412 S. 12th St., are the parents of a daughter, Lynn Marie, born June 2 at 10:53 a. m. at St. Francis Hospital. The baby weighed 6 pounds and 11 ounces. Mrs. Ammel is the former Joy LaVasser.

DUNBAR — A daughter was born to Mr. and Mrs. Elton G. Dunbar, 1720 2nd Ave. S., June 2 to 7:42 p. m. at St. Francis Hospital. The infant weighed 6 pounds and 1 ounce. Mrs. Dunbar was Carol Davis.

Rock

Mary Horgan has returned home from St. Francis Hospital.

Mrs. Nick Peltonen of Los Angeles is spending the summer in Rock.

Watering Roses Should Follow Regular Schedule

Michigan gardeners who plant roses around the home and in the garden for their big beautiful flowers and shiny green leaves should adopt a weekly watering plan advise Michigan State University horticulture specialists.

If a plant lacks sufficient water for the full expansion of the cells making up the tissues, flowers will be small, leaves little, and the entire plant will appear stunted. Weak, spindly growth in roses is a good indicator that the plant is ill; and a cheap, refreshing drink of water may be just the cure needed.

A good watering "rule of thumb" is that roses should be watered thoroughly once a week unless one or more inches of rain have fallen within that period. Place several small fruit cans in the vicinity of your rose beds before turning on the sprinkler. When one inch of water has accumulated in the cans, enough water has been applied.

Rose foliage that is wet at night invites mildew and blackspot. Make sure watering is done early enough in the day so the leaves have sufficient time to dry by nightfall.

Church Events

Christian Science Society
A Bible Lesson on the subject "God the Only Cause and Creator" will be heard at all Christian Science services on Sunday. It will contain many passages from the Bible acknowledging God's greatness as the source of all that is real and good. Included is this verse from Psalms (33:4): "The word of the Lord is right; and all his works are done in truth."

From "Science and Health with Key to the Scriptures" by Mary Baker Eddy will be read the following: "To grasp the reality and order of being in its Science, you must begin by reckoning God as the divine Principle of all that really is" (p. 275).

First Methodist W.S.C.S. Will Meet Thursday

The Woman's Society of Christian Service of the First Methodist Church will hold its regular monthly meeting Thursday, June 4 at 2 p.m. in Fellowship Hall.

Mrs. Donald Ness will be in charge of devotions. Program leader will be Mrs. Alvin Ness who will show slides of a recent trip to the Eastern States. Mrs. John Nicholas will give a report on the United Church Women meeting in Marquette.

Members and friends are cordially invited to attend. Hostesses will be Mesdames S. M. Sager, Clint Dunathan, Harvey Pierson and John Bell.

Future activities are:
June 7 — 10:30 a.m. Coffee hour for Graduates, John Hebert, Bill Whitney, Douglas Hebbard, Bonnie Anderson, M. Sue Mallmann; Diana Dahlke, and Sharon Bryers.

June 7 — 2:30, party at Pinecrest Medicare Center.

June 13, 6:30 p.m. Potluck supper with the families moving out of Escanaba as guests.

August 8-9, Homecoming banquet, Saturday; picnic Sunday, at Ludington Park.

BRIGHTEN BEADS

Don't be afraid to dunk those light-colored summer beads in suds when they begin to show signs of soil. Rinse them and dry them on a terry towel. They'll look bright and new again.

Newcomers Spring Dinner Dance Saturday Night

Plans are complete for the Escanaba Welcome Wagon Newcomer's dinner dance to be held Saturday, June 6, at the Dells Supper Club.

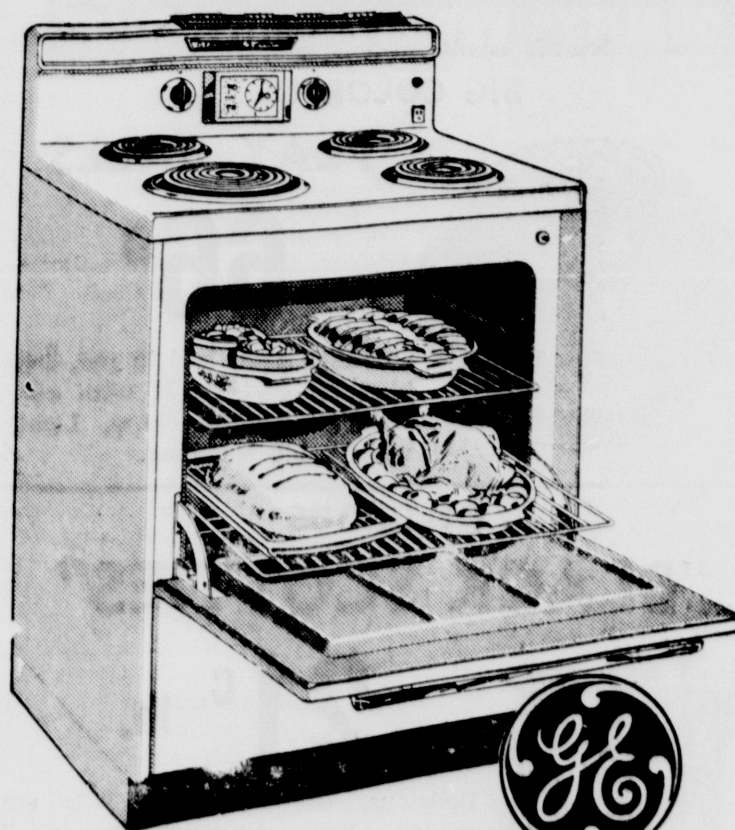

The cocktail hour begins at 6:30 p.m. and dinner will be served at 7:30. Tickets must be purchased by Thursday, June 4, at 5 p.m. They are on sale at Gartner's, Gust Aspi's, West End Drugs and the Allen McNamara residence, 242 Lake Shore Drive.

All newcomers and their guests are cordially invited to attend the party, one of the social highlights of the spring season.

Special Events

Special events of the week

for residents of the Bishop Noa Home, 7th and Ludington, Escanaba, opened Tuesday evening with an illustrated talk on Florida by Mrs. Conrad. (Orpha) Lemmer of Ford River Road.

Mrs. Lemmer, who spends her winters in Florida, showed beautiful colored slides of the state's resort areas, which were of particular interest to Noa residents, who formerly lived there. This evening, the Escanaba Committee on Ageing, Charles Folio, chairman, will tour the home at 7:30. The tour will be conducted by Ted L. Gajewski, resident manager, his wife, and Sister Patricia of the Home staff. A meeting of the committee will follow the tour of the Noa facilities.

Death Claims Mrs. Kallman

Mrs. Mary Kallman, former Gladstone resident, died in Warwick, R. I., on Sunday, May 31. She was 77 years old. The widow of the late Rev. John A. Kallman, who served as pastor of the First Baptist Church in Gladstone from 1943 to his death in 1945, was born in Forsbym Finland, on Sept. 26, 1886.

The Rev. and Mrs. Kallman were married on Oct. 8, 1905, in Finland.

Surviving are two daughters, Mrs. Astrid Comey and Mrs. Meiba Minor of Warwick; four sons, Elmer of Asjland, Wis.; Herbert of Santa Clara, Calif.; John of Bergenfield, N. J.; James, a probate judge in Lansing; 16 grandchildren and two great-grandchildren; and two sisters in Finland.

The body will be brought to the Kelley Funeral Home where friends may call between 7 and 9 p.m. on Friday.

Funeral services will be held at 11 a.m. Saturday in the First Baptist Church with the Rev. Dana Austin officiating, and burial will be in the Fernwood Cemetery.

Joanne Sepic

Scholarship By Gamble Awarded To Joanne Sepic

Joanne Marie Sepic, member of the graduating class of Gladstone High School, was presented with a certificate for a \$350 B. C. Gamble "Scholarship in Salesmanship" award during commencement exercises.

Presenting the award on behalf of B. C. Gamble, board chairman of Gamble-Skogmo Inc., was Harold Nehmer, zone superintendent for the area. He won the award for this community in competition with over 500 store managers and 90 zone superintendents in a month long sales contest sponsored by the company.

Joanne, daughter of Mr. and Mrs. William Sepic, 1207 Wisconsin Ave., received the award as the graduating senior who has shown the greatest ability in salesmanship on high school projects during her senior year.

Joanne plans to utilize the scholarship to further her education by enrolling at Bay De Noc Community College this fall. The winner was selected by judges named by the school faculty.

Prof. Pfau Is Speaker

Dr. Edward Pfau, dean of education at Northern Michigan University, Marquette, will address the 1964 graduates of Gladstone High School, their parents and guests, at commencement ceremonies at the High School at 8:15 p.m. Thursday.

Mrs. L. N. Empson, president of the Gladstone board of education, will present the 90 members of the graduating class with their diplomas.

The Rev. Carl P. Cornelius, pastor of Bethel Evangelical Free Church, will give the invocation and benediction and the High School Orchestra, under the direction of Paul Cowen, will play the processional and recessional. James Wedell will present two piano selections.

Dr. Pfau came to Northern in 1959 as Director of student teaching, teacher placement and head of the department of psychology and education. He also serves in the capacity of principal of Northern's John D. Pierce Laboratory School.

A native of Milnor, N. Dakota, Dr. Pfau received his bachelor's degree from North Dakota State in 1938, his master's from George Washington University in 1947 and his doctorate in education from Michigan State in 1955.

Before joining the Northern Michigan University faculty, Dr. Pfau was an education specialist with the Upper Peninsula Extension Center of Michigan State University, a post he held for three years. He became a member of the Michigan State staff in 1950 as an assistant professor of educational administration.

Lutheran Group Will Show Film

The First Lutheran Church Women will present the film strip, "Christ In The Art of India", at their general meeting at 2:30 p.m. Thursday at the church. The L. C. W. of Christ the King Church, Escanaba, have been invited to attend.

The filmstrip shows the life of Christ through the colors, forms and symbols of both modern and ancient paintings in India. Background Indian melodies are played on a sitar by

Dr. Andrew Thakur Das, who played at the White House in 1962.

Hostesses for the meeting are the Mesdames Norman Nelsen, Fred Pepin, George Beaudry, Walter Boucher, Jonas Johnson and Wayne Cassell.

Briefly Told

Gladstone City Police issued tickets to Patrick Lynch, 1403 Michigan Ave., for speeding in the night time, and to Richard Micheau, Route 1, Gladstone, for failing to stop for a traffic signal.

In addition to hosting the Michigan Class B championship over the Labor Day weekend, the Escanaba Softball Association is planning to stage an attractive invitational tournament for top teams in the Upper Peninsula. The invitational will be held here over the Fourth of July weekend with teams from Iron Mountain, Marquette and Soo filling out the 16 team field.

Among the 30 athletes receiving varsity letters in spring sports at Michigan Tech were seven from the Upper Peninsula. The former U.P. prep athletes honored were Larry Laurich of Marquette, Fred Hagen of Houghton and Dave Patrick of Ironwood in track, Pete Lenz of Houghton in golf, Louis Grailer of Stambaugh, Dick Bystrom of Marquette and Bill Gribble of Ironwood in tennis.

Gordon Gimski of Hurley High School, a miler who has lost only one race in his prep career, has qualified for the Wisconsin Class B track finals to be staged at Monona Grove (Madison) this weekend. Gimski made the state finals with a 4:40 clocking in the sectional meet at Rice Lake last weekend. His only defeat came in the Wisconsin finals last spring when he was clocked in 4:34.2 but finished second.

Dennis Tiziani of Northland College, former Ironwood athlete, has been named to compete in the National Association of Intercollegiate Athletics golf tournament at Ft. Worth, Tex. Tiziani is the son of Caesar Tiziani, golf professional at the Gogebic Country Club.

Two Marquette teams notched opening victories in the Marquette County American Legion baseball league last weekend. The Marquette Blues defeated Negaunee 6-4 and the Whites downed Beaver Grove 19-5.

The Kingsford Flivvers combed three Menominee hurlers for nine hits in a 9-1 baseball victory over the Maroons. Freshman Tom Johnson notched the mound decision with a four hitter, fanning five batsmen. Kingsford is the top team in the Menominee Range Conference which winds up its season this week.

Texas Odessa In Fast Start

GRAND RAPIDS (AP) — Odessa of Texas, defending National Junior College golf and tennis champion, got off to a good start in the effort to retain both titles Tuesday.

The Texans led in tennis and took the runner-up post in golf in opening rounds of simultaneous tournaments.

With Bob Rivera figuring in singles and doubles victories, Odessa took the court play lead

10-9 over Central Florida Junior College, Jackson (Mich.) placed third with seven.

Pete Strupp of Phoenix, Ariz., scoring a one-under-par 70, led his team to the golf lead with a 298 score. Odessa scored 305. Miami-Dade, Fla., was third with 311. Larry Hinson of South Georgia J. C. also shot a 70.

Rivera defeated Gary Franklin of Arkansas J. C., 6-1, 6-2, and teamed with Charles Bower for a doubles victory over Tom Cragar and Alex Peterson of Flint (Mich.) J. C., 6-4, 6-4.

Both tournaments run through Thursday.

Corriveau Fires First No-Hitter

Tuesday Results
Hamms-Merchants 10, No. 3 Mead 0
Bero Motors 6, Flat Rock 4
Games Tonight
6:45—Bero's vs. Mead No. 3
8:15—Hamms vs. Flat Rock

Bob Corriveau turned in the first no-hit pitching performance of the Escanaba softball season Tuesday night as his Hamms-Merchants blanked No. 3 Mead 10-0 in a game that was called after five innings.

Corriveau allowed only one base runner on a walk in the second inning. He struck out 3 batters.

Pacing the Hamms-Merchants attack was Bob Melchior who had three hits, including a homer.

In the nightcap, Bero Motors broke into the victory column for the first time this season by topping Flat Rock 6-4.

Dale Bittner scattered seven hits for the winners while Ernie Beauchamp and Billy Smith shared the Flat Rock mound.

Flat Rock wiped out a 4-2 deficit with single runs in the third and fifth frames.

Bero's clinched the decision

in the sixth with a pair of tallies. Jim Boyle was hit by Beauchamp with the bases loaded, forcing in Jug Bordeau. Smith came on in relief and Tom DeGrand's squeeze bunt pushed another run home.

Jim Micheau had three of the Flat Rock hits.

Both of last night's winners return to action against last night's losers, with opponents switched tonight. Bero's will face Mead No. 3 in the opener and Hamms takes on Flat Rock in the nightcap.

British Champ Defeats Lane

LONDON (AP)—Dave Charnley, the British conqueror of Kenny Lane, clamored today for a title fight with world lightweight champion Carlos Ortiz. He may get it soon "if the price is right," said the champion.

Charnley, the British lightweight king and seventh-ranking contender, finished strong to gain the referee's decision over Lane, top-ranking contender from Muskegon, Mich., at the indoor Wembley Stadium Tuesday night.

A crowd of 8,000 cheered loudly when referee Andy Smith, the lone official, raised the Briton's arm in triumph. His scorecard was not disclosed. That is customary here. The Associated Press had Lane in front 5-3 in rounds, with two even.

"We are ready, willing and able for a title shot at Ortiz," said Charnley. "I think it will be in London."

Ortiz said in New York he would be happy to defend his crown against the left-handed Briton in London, San Juan or New York.

Trenary Posts Second Win In Lake Superior

TRENNARY — The Trenary team made it two straight victories in Lake Superior baseball league action by defeating Harvey 11-1.

Roy Aho went the distance on the Trenary mound and fanned nine batsmen while walking one. He scattered seven hits.

Collecting a pair of hits apiece for Trenary were Kallio, Ylinen and Arnold Aho.

Paper Makers Snare Second In Golf Race

The Paper Makers vaulted into second place in the Escanaba Country Club Twilight Golf league standings Tuesday.

Gravelle's Gerties clung to their top position in the league race but the Paper Makers moved up to within two points of the front runners.

Medalist for the day was Elmer Swanson with a 39. Harry Hogan shot a 40 and Don Hapala came in with a 41.

Team standings: Gravelle's Gerties 25½, Paper Makers 23½, Manhattans 22½, Kidders 22½, Hashers 22, Bonnies 21½, Big John's 21½, Finishers 20, Ice Boxes 19, Hirm's 18½, Pixies 16, Gump's 15½, Hush Puppies 15½, Has Beens 14½, Meiers 14, Slashes 12½, 19th Holes 11½, Town & Country 9.

Santa Claus Epsom Derby Race Winner

EPSOM, England (AP)—Santa Claus won the richest Epsom Derby of all time today.

Indiana, owned by Charles Engelhard of New York, was second and Dilettante II, owned by Larry Gelb, a New York cosmetics manufacturer, was third.

John Ismay, Santa Claus' owner, scooped up a record first prize of \$201,787.

Santa Claus, favored at 15-8, was near the back of the field of 17 runners for most of the 1½ miles of the race. He came from behind and passed Indiana in the last few yards of a thrilling finish.

Santa Claus won by a length. Indiana was two lengths ahead of Dilettante II.

TABLEAU—This might almost be a tableau, with the players in classic stances. It is really Mickey Mantle of the New York Yankees zooming across the plate and being called safe by umpire Joe Paparella.

Pitchers Shine In AL; Chance Fires 1-Hitter

By The Associated Press
Dean Chance stormed out of Fred Haney's office in a contract hassle recently and aimed a parting shot at the Los Angeles Angels' general manager. "All right," said Chance, "I'll pitch an \$18,000 season."

Neither Chance nor Haney expected him to try and do it in one game.

But Chance tried to against Boston Tuesday night, turning in one of the top pitching performances of the season, keeping the Red Sox hitless for 5 2-3 innings and finishing with a two-hitter while striking out 15 in a 1-0 Los Angeles victory.

Chance, a 22-year-old right-hander, had a shot at a no-hitter and probably a pay raise until Dick Stuart lined a single to center with two out in the sixth. He also had a shot at the record 18-strikeout mark and probably a pay raise until he ran out of whiffs in the last two innings.

Season Record

Chance had 13 strikeouts through seven innings, but struck out only one in each of the last two innings and settled for the season's high of 15, an impressive 2.12 earned-run average and a 4-2 record. Now he needs only 20 more victories to get his raise.

The 24-victory yardstick was applied by Haney a week ago Tuesday when the Angels called a special press conference and brought up the subject of Chance's contract dispute with the club. At that time, Haney said an \$18,000 season figures out to about "24 winning games."

While Chance was showing Haney his stuff, standout pitching efforts also were turned in by:

—Sam McDowell, a \$100,000 bonus baby recently recalled from the minors who struck out 14 as Cleveland defeated Chicago 3-2 and knocked the White Sox out of the American League lead.

Orioles Take Lead

—Baltimore's Dave McNally who posted his second shutout with a six-hit, 4-0 triumph over Kansas City that lifted the Orioles into first place.

—Gerry Arrigo, who kept eight hits well spaced in Minnesota's 6-2 triumph over the New York Yankees.

The only other AL game scheduled — Washington at Detroit — was rained out.

In the National League, Philadelphia edged the Los Angeles

Dodgers 4-3, Pittsburgh defeated San Francisco 3-1, the Chicago Cubs whipped St. Louis 5-2, Cincinnati belted Milwaukee 7-5 and the New York Mets downed Houston 7-4.

Besides Stuart's single, the only other hit off Chance was a single by Felix Mantilla leading off the ninth.

Chance got the only run he needed and the only one of the game in the fourth when Jack Lamabe walked Joe Koppe, Billy Moran singled and Lee Thomas doubled.

McDowell, a 21-year-old left-hander with only eight major league victories since receiving his \$100,000 four years ago, now has posted two of the victories since being recalled from the minors last Saturday.

Wagner Hits 12th

Leon Wagner homered in the third inning to the Indians—No. 12 of the season and his fourth in four games—and Cleveland broke a 1-1 tie in the eighth when Max Alvis and Larry Brown hit consecutive homers.

McNally, also a 21-year-old southpaw, had been ineffective in his last three starts but pitched strongly against the A's, who were unable to get a man past second base. McNally now has a 4-3 record.

Boog Powell homered for the Orioles, who scored two of their first three runs on wild pitches by Orlando Pena, now 6-4.

Arrigo, a 22-year-old lefty, struck out Elston Howard with the bases loaded in the third and got out of a bases-loaded jam in the fourth without a run scoring.

Hector Lopez homered in the eighth for the Yankees but the Twins already had put it out of reach as Tony Oliva stroked three hits and John Goryl, Bernie Allen, Don Mincher and Earl Battey all collected triples.

Has Beens Keep Twilight Lead At Highland

The Has Beens hung precariously to their first place rung after the fired-up Sod Busters smashed home with 12½ points in the Highland Twilight League race. The Beavers garnered 11 points to hold the third place spot, just 2½ points behind the pace setters. The Pel Melers also scored 12½ points to nose into the fourth place spot.

Jerry Harris and Lanny Johnston paced the low scorers with 37's in spite of high winds. Jim Douglas, Dave Friets, Bob Meyer and Bob Turner carded 39's.

Team standings: Has Beens 31½, Sod Busters 31, Barney's Beavers 29, Pel Melers 26½, Rum Dums 23, Free Swingers 21½, Doug's Dubbers 20½, Divo Diggers 19, Smitty's Smackers 15½, Hackers 15.

Hermansville Notches Win

HERMANVILLE — Hermansville defeated Vulcan-Loretto 9-6 in Little League Eastern Division action.

Larry Raiche and Tim McClure shared the Hermansville mound and McClure had a perfect day at the plate with five hits, as did Tony Dani.

Hermansville will meet Felch at the Hermansville field this evening.

Former Tiger Hurler Frank Lary Complains

By BERNIE KENNEDY

DETROIT (AP) — Detroit Tiger Manager Charlie Dressen moved to end the numerous questions about his alleged "strict rules" for players by printing copies of the rules Tuesday night.

Dressen passed out the sheets, which contained 14 rules, to each sports writer after Tuesday night's scheduled game between the Tigers and Washington Senators was postponed.

As he gave out the copies, Dressen said, "take a look at them and tell me if they're too hard. They are the same rules I've had my players stick to since I started managing. And that includes the championship teams."

Lary Rapped Rules

The question of Dressen's alleged strict rules started with an attack on the Detroit Manager by former Tigers pitcher Frank Lary, now with the New York Mets.

Rule No. 1 states that "all players must be in bed at a given time—this will be announced after each game."

Dressen explained that the time varies from city to city. "But I never ask the players to hurry, I give them plenty of time," Dressen added.

A ban against excessive drinking and the playing of golf on days when games are scheduled are two other rules on the list.

Times when the players are expected to be in uniform in the clubhouse are included in two other rules, while another states that pitchers who have been knocked out of a game must remain in the clubhouse or on the bench until the game is over.

Players' Conduct

Players must also accompany the team in transportation furnished by the team, unless special permission is given by Dressen.

Other Dressen edicts direct players to wear coats and ties on road trips and "players must conduct themselves like professional ball players at all times."

Horseplay on the bench or in the bullpen when the game is in progress also is taboo.

Probably the most important rules to Dressen, though they are listed at the bottom of the sheet, are that the players will respect the coaches' authority at all times and that what is said in the clubhouse stays there.

"No individual record is more important than our winning a ball game," states another Dressen rule. This one comes just before the final restriction which states simply that the rules apply to every member of the club.

"Sure I've had fellows break these rules," Dressen confessed, "especially when it came to curfew. Those who broke it more than once were fined."

Dressen later remarked that no player had ever come up to

Stacey Fires No-Hitter In Little League

It was "Bob Stacey" night at the Little League Field Tuesday as the veteran Lion made his pitching debut by not hitting the Eagles 4 to 1. Wildness by Stacy kept the Eagles in the ball game as he issued 7 walks and struck out 12 in going the route for the first time.

In the bottom of the third he put his team in front 2 to 1 with the second of his three hits, a two run homer to the right field gravel pit.

Joe Kroll tossed steady ball for the Eagles and allowing only five hits.

In tonight's action the Bankers are at Rotary.

him and said his rules were "too rough."

Game Is Called

In New York, Lary charged that his former manager "is more strict than any other manager I've played for and I think it's hard for a club to win if they're not relaxed."

"I hope this will stop some of the questions," Dressen said. "I think these rules are simple, and I can't think of any reason why any player should have difficulty in sticking to them."

Tuesday night's game was called just five minutes after it was scheduled to start. The rains did not start until some 20 minutes before game time.

The decision to postpone the contest came after the club consulted the weather bureau which said that the showers would continue through the night.

The game will be played as part of a two-night doubleheader July 3.

Dave Wickersham and Claude Osteen are the probable starters for tonight's game.

Tech's Cage Games Listed

HOUGHTON — Michigan Tech's 1964-65 basketball schedule was released today by head coach Verdie Cox. The Huskies roundball squad will play 22 games this coming season, 11 at home and 11 on the road.

Included in the schedule are 10 Northern Intercollegiate Conference (NIC) games. The Huskies finished last in 1963-64, after winning the league title the previous season.

Cox will take this year's team to Marquette on December 11 and 12 to play in the Northern Michigan Classic Tournament. Ferris State and Aquinas College of Grand Rapids, along with Northern Michigan U., will supply the opposition. Pairings for the Classic have not been made as yet.

Coach Cox will be heading into his 16th year as head coach of Tech's basketball teams. His record at Tech stands at 117 wins and 158 losses.

The schedule:
Dec. 1 — St. Norbert there.

Pick a Chevrolet and fill in the spaces

Now's the time to see the great outdoors in a great Chevrolet buy!

Here you are on the brink of vacation time. There's your Chevrolet dealer in the midst of Trade 'N' Travel Time. You two should get together! Object—celebrating the joys of summer in a new Chevrolet.

Why a Chevrolet? Well, with 15 models in four series, what possible reason is there to look further?

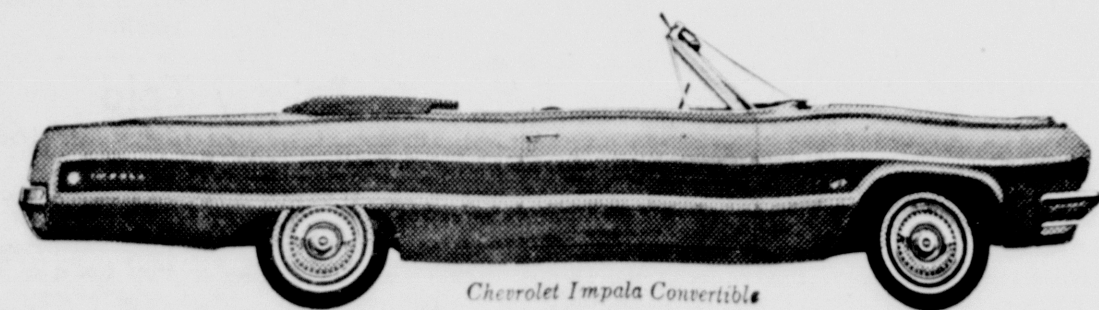

Take the Impala Super Sport (and a lot of people do just that). Comes as a Sport Coupe or Convertible. Has trimmings like front bucket seats, center console, special trim—all as standard equipment. And offers a

typically Chevrolet array of extra-cost options.

Plain Impalas are anything but. They come in all popular body styles, including wagons. They're dressed up to a fare-thee-well: fully carpeted interiors, upholstery as durable as it is attractive.

Bel Airs and Biscaynes, the lower priced Chevrolet, make a practice of

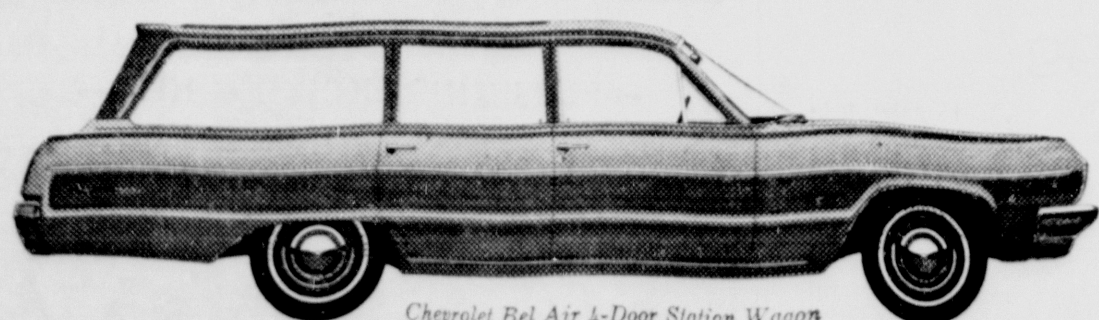

hiding it. All the conveniences, no sacrificing comfort or style. Did we mention that Trade 'N' Travel Time won't last forever? It won't. So see your Chevrolet dealer. Then go fill in the spaces.

Cookie Rojas Is Actually Cracker-Jack For Phillie

By The Associated Press

Gene Mauch reached into his bag for a Cookie and came up with a Cracker-Jack.

Sniffing a pennant and looking for the big trade that might bring one, the Philadelphia Phillies decided to display some of their excess talent last week in the hopes of drumming some business in the National League market place.

Manager Mauch looked down his bench and there, residing in a quiet corner, was utility infielder Cookie Rojas, a career .221 hitter. With an average like that, you've got to be considered excess. So Mauch tapped Cookie to take over for Tony Taylor at second base for a couple of games.

That was a week ago and Taylor hasn't started a game since. Rojas has 14 hits in 21 at bats since taking over for a .667 batting average. Of course that's much more than his season's average which is only .548 on 17 for 31.

Rojas continued his hot streak with two hits against the Los Angeles Dodgers Tuesday night as Philadelphia maintained its National League lead with a 4-3 victory.

Cookie scored the Phillies' first run when he doubled, stole third and came in on Richie Allen's long fly. After Ken McMullen's two-run homer had tied it at 3-3 in the top of the seventh, Rojas opened the Phillie half with a single.

Allen's single and an intentional walk loaded the bases and Cookie trotted home with the winning run when Ron Peranowski walked Wes Covington.

The victory, coupled with San Francisco's 3-1 loss to Pittsburgh, extended the Phillies' league lead to 1½ games. In other NL games, Cincinnati rallied to beat Warren Spahn and Milwaukee 7-5, New York came from behind and whipped Houston 7-4 and Chicago downed St. Louis 5-2.

In the American League, Baltimore blanked Kansas City 4-0 to take over first place from Chicago which lost to Cleveland 3-2. Minnesota defeated New York 6-2, Los Angeles topped Boston 1-0 and Detroit and Washington were rained out.

Rojas' hitting helped Dennis Bennett win his seventh game in 10 decisions. In addition to scoring the first and fourth runs Cookie squeezed John Herrnstein home with a perfect sacrifice bunt in the second inning.

And to rub salt into Los Angeles' wounds, old friend Ed Roebuck hurled the ninth inning and set the Dodgers down 1-2-3.

Spahn was breezing with a 3-1 lead and a five-hitter through seven innings when the Reds suddenly turned the tables. A four-run eighth tied it and then run-scoring hits by Deron Johnson and Frank Robinson won it in the ninth.

The Braves built the big lead early with two-run homers by Gene Oliver and Denis Menke the key blows. Oliver also had a solo homer.

Bob Veale hurled a five-hitter

for his second straight victory over the Giants and his fifth win in eight decisions. He struck out nine and walked four.

The Pirates grabbed a quick lead in the second inning when Willie Stargell tripled, Gene Freese doubled and Donna Clendenon singled for two runs. Jim Davenport's fifth-inning single delivered the only Giant run.

The Mets trailed 4-2 going into the seventh when three hits, two Colt errors and a pair of hit batters produced five runs and the victory.

New York spotted Houston a 4-0 lead and then got 8-2-3 innings of airtight relief from Bill Wakefield and Frank Lary to win it.

Hot-hitting Billy Williams had three hits including his 14th homer and ran his league-leading average to .422 against St. Louis as the Cubs won their sixth in the last seven games.

Ron Santo, Billy Cowan and Jim Schaffer also homered for Chicago and Larry Jackson went the route to beat his ex-teams.

Palmer May Change Plans

ST. ANDREWS, Scotland (AP) — Arnold Palmer and Jack Nicklaus head a 25-man United States entry in the British Open Golf Tournament at St. Andrews next month, but Palmer's plans are accompanied by a big "If."

If the all-time leading money winner from Latrobe, Pa., wins the U.S. Open at Washington, D.C., June 18-20, he definitely will play at St. Andrews, seeking a third leg on his professional Grand Slam.

If he fails in the U.S. Open, Palmer likely will skip the British event to concentrate on the PGA Championship at Columbus, Ohio, the only big pro title he hasn't won.

Nicklaus, who missed the British Open last year by a single stroke after going bogey-bogey on the last two holes, plans to play regardless.

The dates of the British Open are July 8-10. Bob Charles of New Zealand, who won the title in a playoff with Phil Rodgers of LaJolla, Calif., will defend. Rodgers plans another shot at the crown.

Another leading American contender will be Deane Beman, the National Amateur champion from Bethesda, Md.

U.S. pros who have entered include Tony Lema, Doug Sanders, Doug Ford, Bill Johnston and Johnny Bulla.

Trade Winds Are Blowing

NEW YORK (AP)—Dugouts are buzzing with trade talk as the June 15 deadline approaches and both the New York Yankees and Los Angeles Dodgers appear vulnerable.

Bulpen problems prompted the St. Louis Cardinals to deal 37-year-old Lew Burdette to the Chicago Cubs for Glen Hobbie, another veteran right-hander, in a Tuesday deal.

The Dodgers are doing their level best to bolster a pitching staff that developed a leak when Johnny Podres went on the shelf.

Hank Aguirre may be next to walk the plank at Detroit and could be Dodger-bound if the Tigers could get waivers on the

lefty in the American League. Chuck Dresen already unloaded one of his veterans when he sent Frank Lary to the New York Mets on a conditional purchase.

The Minnesota Twins reportedly are interested in Ken McBride, the Los Angeles' Angels' pitcher who has been having a tough time winning.

With the Yanks limping along only a few games over the 500 mark, the Twins are convinced they can make a strong move for the pennant if they can come up with some more pitching.

Even the Yankees are trade-minded. The relief pitching has been something less than sensa-

tional and Yogi Berra is looking for help, either from the majors or the Richmond farm. Because of the persistent injuries to Mickey Mantle, the regular line-up remains unsettled.

Yesterday's Stars

By The Associated Press

PITCHING — Dean Chance, Angels, allowed only two hits and struck out 15-high in the majors this season—in 1-0 victory over Boston.

BATTING — Billy Williams, Cubs, went 3-for-4, collecting a single, a double and his 14th homer, lifting his average to .422 in 5-2 triumph over St. Louis.

OUR BOARDING HOUSE with Major Hoople OUT OUR WAY by J. R. Williams

Peninsula Potpourri

SAULT STE. MARIE — Parents of Sault school children were deluged with watermelon seeds a few weeks ago in connection with the campaign to publicize the school millage election on June 8. The Garfield School sixth grade held a contest to see which pupil could cultivate the biggest watermelon plants from the seeds between April 26 and May 28. Jan Worley won the contest and her prize — of course — was a watermelon.

MARQUETTE — The Michigan Employment Security Commission office which has been housed in the Vierling block since 1951 has moved to Lee Hall on the Northern Michigan University campus.

DeTOUR — Field work in an area school study of the Drummond, Raber, DeTour and Les Cheneaux school districts will be completed this month and final meeting of all study groups will be held June 22 in the Cedarville High School. The study is being conducted by Northern Michigan University.

gan University to determine if reorganization of the districts would improve the school program.

SAULT STE. MARIE — Teachers often wonder if it's worth all their effort. Harold and Gail Bruce were reminding that the effort is appreciated. Some 260 persons attended a banquet in their honor at Sault Armory to commend them. He's retiring after 38 years in the Sault school system.

Atty. Robert C. Kline, Jr., a former board of education member who was a student of Harold Bruce said fine things about him, and so did Kline's son, Joel, who is president of the 1964 senior class.

ISHPEMING — The Rotary Club here which contributed the first \$1,000 toward construction of a unit of the Bay Cliff Health Camp was lauded by John Vargo, camp director, as Pajula & Maki, contractors of this city, started extensive rebuilding at the health camp. The 18-unit "L" shaped buildings will be first step in replacing many of the existing buildings. The units will be 20 x 24 feet. The camp served for 170 children from the Upper Peninsula last year.

VanDrese

In loving memory of our dear husband, father and grandfather, Charles VanDrese who passed away 4 years ago June 3, 1960.

Often a lonely heartache,
And many a silent tear,
But always a beautiful memory,
Of the one we loved so dear,
More and more each day we miss him.

Friends may think the wound is healed,
But they little know the sorrow,
That lies within our hearts concealed.

Marble Electric Plant To Close Doors July 31

Plans of ITT-Bell & Gossett, Inc., of Morton Grove, Ill., to dispose of the Marble Electric plant in Gladstone were reported today by the United Auto Workers-CIO, which has been informed of the decision.

Ivan Brown, of Iron Mountain, International representative of the UAW-CIO, said he had received last Saturday from Reuben J. Sjoquist, newly appointed manager of the Marble plant, the following telegram:

"This is to notify you that Marble Electric Co. Division of ITT-Bell & Gossett, Inc., will be sold or otherwise disposed of on or before July 31, 1964."

Sjoquist said that he was not free to discuss the plans of Bell & Gossett for Marble Electric, and a telephone call to R. Edwin Moore, chairman of the board of directors of Bell & Gossett at Morton Grove today revealed that he was out of the city.

Fear Liquidation

Brown said that the union at Marble Electric knew only what was contained in the wire from Sjoquist, but that it was presumed that the property, which had been attractive enough to Bell & Gossett for it to acquire it in 1956 was not attractive enough to International Telephone & Telegraph Corp., which acquired B&G in 1963 and that it is being liquidated or sold.

The UAW local at the Marble plants had about 90 members when the Marble Arms plant op-

erations were curtailed several months ago as B&G announced plans to dispose of the business. Thirty employees at Marble Arms were laid off, but 22 were later rehired by Marble Electric, which now has about 60 employees.

Marble Arms & Mfg. Co., was organized in 1900 as a partnership by Webster H. Marble and Frank H. Van Cleve, who were joined in 1917 by James T. Jones. A corporation was formed in 1930 and it was sold in 1953 to John Zerbel and associates, who sold it in 1957 to Bell & Gossett.

Marble Card Electric Co., was organized in 1917 as a partnership by Van Cleve, Webster Marble, Jones and John F. Card, an electrical engineer, and it was incorporated in 1930 and sold to Zerbel and associates in 1953 and by them to B&G in 1957. Bell & Gossett, which owned 55 per cent of the stock of the Marble companies, acquired the rest in 1960. They became properties of ITT in 1963 when it acquired Bell & Gossett.

B&G announced Marble Arms for sale several months ago and it attracted an offer from the Birchwood Chemical Co., and Casey Chemical Co., of Hopkins, Minn., which planned to move their sporting goods manufacturing operations from Hopkins and merge them with those of Marble. The Small Business Administration was to participate in the financing and the Gladstone Industrial Development Corp., raised \$25,000 by local subscription to help finance the acquisition and keep the Marble Arms payroll in Gladstone.

The chemical firms dropped the purchase at point of closure and B&G is reported to have since offered to make the plant available for purchase by two of its employees, Edward G. Sanderson and Joseph Wirtz.

The Gladstone Industrial Development Corp., is endeavoring to keep the plant operating in Gladstone and it has called a meeting of its investors for June 11 to approve its by-laws and review the Marble Arms project. It has been proposed that dues in the IDC be \$10 a year and that stock be given for larger investments.

IDC's letter inquiry to its hundreds of investors in the \$25,000 development fund revealed that contributors of \$13,000 were for diverting the financing originally intended for the chemical companies purchase project to the Sanderson-Wirtz project, that investors of \$5,000 were opposed and that investors of about \$4,000 were undecided.

There matters stood when today's revelation of Bell & Gossett's plan to end the Marble Electric operations in Gladstone was made.

Sjoquist is president of the IDC as well as acting manager of the Marble Arms and Marble Electric plants for Bell & Gossett.

Lack Of Quorum May Postpone Council Meeting

Three members of the Escanaba City Council will be out of the city on business on Thursday and this will cause adjournment of the regular Council meeting because of the lack of a quorum, City Manager George Harvey said today.

Mayor George Rusch, who is employed at K. I. Sawyer Air Force Base, will be in Louisiana with the Air Force on that day.

Councilman Harold Vanlerberghe will be in Ann Arbor at a meeting of the Michigan Municipal League.

Councilman Glen Moreau will go to Adrian in Lower Michigan to return with his son, who is ending the college year.

These circumstances will make it possible for only two of the five members of the Council — Councilmen Jacob Bink and H. George Nelson — to attend the Thursday night meeting. A quorum not being present, the meeting will be adjourned to a later date.

Escanaba Men On Municipal League Program June 11

Escanaba's municipal government will be represented at the Upper Peninsula regional meeting of the Michigan Municipal League to be held at Ironwood on June 11.

Attending will be Councilman Harold Vanlerberghe, City Manager George Harvey, and City Controller Frank Bourke.

Councilman Vanlerberghe, a member of the Municipal League board, will moderate one of the sessions, and Bourke will discuss financial problems of municipalities at one of the Thursday afternoon sessions.

Better Hearing 'No Miracle'

"Seldom are there miracles among those with a hearing loss," said Mrs. Rene Labre of the Better Hearing and Speech Society in describing the work of the organization to the Rotary Club at the House of Ludington Tuesday noon.

Rather than miracles there is hope for the persons with hearing handicaps from others who have experience in overcoming such a handicap, she explained. Through the Better Hearing and Speech Society those with hearing problems may exchange information and encourage each other in their solution, she suggested.

The Better Hearing and Speech Society here, only one in the Upper Peninsula, evolved from an interest of persons in their work for children with hearing loss. Now firmly established it has members in all age groups and programs ranging from talks by specialists to social and entertainment events.

Mrs. Labre praised the Rotary Club and its project to help crippled and handicapped youngsters of the community. She pointed out that there is need for additional teachers to help with the growing number of children in the oral deaf room at the John A. Lemmer School.

Warm praise was given Mrs. Labre by Carl Wickman and John A. Lemmer of the Rotary Club for her devoted interest in and work for the hard of hearing children for the past eight years.

The Rotary meeting was conducted by Robert Mosenfelder, club president.

Methodist Appointment

Rev. Balfour New Superintendent

Bishop Marshall R. Reed, presiding bishop of the Michigan Area of the Methodist Church, announces appointment of the Rev. James R. Balfour, minister of First Methodist Church, Port Huron, as superintendent of the Marquette District, effective at the close of the Detroit Annual Conference to be held on the campus of Adrian College, June 17-21.

A native of New York State, son of Mr. and Mrs. John A. Balfour, Rev. Balfour was graduated from the Glen Falls, N. Y., High School in 1938. He received the A. A. degree from Green Mountain Junior College, Poultney, Vt., in June 1940; the B. A. degree from the University of Michigan, Ann Arbor, in 1942; and the B. D. degree from Garrett Theological Seminary, Evanston, in June 1945.

Rev. Balfour was received on trial in the Detroit annual conference of the Methodist Church in 1942 and became a full member of the conference in 1946. He was ordained a deacon of the Methodist Church by Bishop J. Ralph McGee at Chicago Temple, Chicago, June 1943 and ordained elder by Bishop Raymond J. Wade at Port Huron in June 1946.

Mr. Balfour served Methodist churches at Menominee, Nov. 1944-June 1949; Houghton 1950-54 and Sault Ste. Marie, 1954-1958. He has also served the South Clyde Methodist Church, Cicero, Ill.; associate minister at Nardin Park Methodist Church, Detroit; and First Methodist Church, Port Huron.

In addition to his service in the local churches, Mr. Balfour has served as dean of camps and institutes for a number of years. He has been an officer of the ministerial associations in the communities where he has served and active in civic affairs. He was the preacher at Religious Emphasis Week for the Air Force at the radar base at Grand Marais in April 1957.

Mrs. Balfour is the former Miss Emmalyn W. Wright. They were married June 19, 1943, at Raleigh Court Methodist Church, Roanoke, Va. They have two children, James Robert II, 17; and Nancy Lynn, 13. They will reside at 300 E. Hewitt Ave., Marquette.

Public Invited To See Student Art On Thursday

Outstanding student art of the Escanaba Area Public Schools will be on public display from 7 to 9 p. m. Thursday in the Escanaba Area High School, announces John Gustafson, director of art in the schools.

The exhibit will be in the main front entrance of the school and entry will be by the front doors. The exhibit is free and there will be guides for those who desire them.

Work by all art classes will be exhibited and it covers a range of mediums including oils, tempera and water color painting, pottery and ceramics, tempera painting and others.

Moves Mapped To Halt Asian Red Invasion

which enveloped the Laos and Vietnamese problems last week as the Communists pressed on with evidence that the Red drive has come to a halt. But no one in Washington knew whether this was only a temporary lull.

On another aspect of the Southeast Asian crisis, Johnson announced that he has instructed Undersecretary of State George W. Ball to confer with French President Charles de Gaulle on Friday in Paris.

It was learned that Southeast Asian problems, over which Johnson and De Gaulle disagree, will be the chief subject of the meeting as far as Ball is concerned. Johnson presumably hopes to get some closer support from De Gaulle for a tougher line on the military side of the Southeast Asian crisis.

De Gaulle has advocated a "neutralization" settlement for Southeast Asia.

Goodreau Gets Suspension

Circuit Judge Bernard H. Davidson has given Joseph Goodreau of Escanaba, who pleaded guilty to a charge of breaking and entering the Chatfield Foundry on Nov. 11, 1963 a one year suspended prison sentence in Delta County Circuit Court Monday.

Judge Davidson granted decrees of divorce in the following actions:

Walter Nelson of Gladstone from Nonell Nelson.

Mary Jane Waltz of Gladstone from George Waltz.

Gladys Porath of Gladstone from Fred Porath.

Sheriff Cully Johnson of Escanaba was granted a divorce from Pearl Johnson by Judge Davidson in Marquette County Circuit Court in November. The decree has been recorded in the Delta Court.

Court was recessed until June 15 when Judge Davidson will start two days of pre-trial hearings here. He has summoned the jury venire to report at 9:30 a.m. Monday, June

Two Scholarship Winners Named

The Engadine V. F. W. has awarded a \$200 scholarship to two Engadine High School seniors. They are Darlene Flatt who will be attending Wayne State School of Nursing, and Donald Leveille who will be attending Northern Michigan University this fall.

This annual scholarship is based on citizenship, academic achievement, and effort while attending high school, said Frank A. Salzeider, High School principal.

Pet Vaccination Clinics Set Up

Dr. Charles Cole, director of veterinary medicine in the Upper Peninsula for the Michigan Department of Agriculture, today announced two small animal immunization clinics on Saturday at 1 p. m. at Stephenson and Menominee to combat the rabies outbreak in the Stephenson area.

The Stephenson immunization will be in the veterinary clinic of Dr. Hilding Linderoth and those in Menominee in the clinic of Dr. Roger Seidl. The fee for immunization of a dog or cat is \$2.

Dr. Cole reported today that a third animal in the quarantined herd on a farm a half mile west of Stephenson died on June 1. It was a two year old Holstein heifer. Earlier two other Holsteins in the farmer's herd of 30 cows had died of rabies, believed to have been the result of infection caused by the bite of a rabid skunk. A skunk was seen in daylight near the barn where the dairy animals were housed.

Dr. Cole said that all dairy animals in the vicinity are being checked by veterinarians. He said that the Department of Agriculture would recommend and that the Delta Menominee Health Department might support a recommendation that the Menominee County Board of Supervisors institute more control of stray dogs. The City of Menominee has a dog warden but the county has no dog control officer.

Attacks On Cuba Blamed On U. S. By Castro Radio

MIAMI, Fla. (AP) — Anti-Castro forces backed by the United States have been attacking Cuban coastal cities, causing great damage and loss of life, the Cuban Red Cross says.

The statement was broadcast Tuesday by the Cuban radio, monitored here. It was one of the few acknowledgements by Fidel Castro government that attacks have occurred. It has announced the execution of seven "CIA" agents in the past week.

Anti-Castro leader Manuel Artime predicted a long, Viet Nam-type war against Cuba's Communist regime.

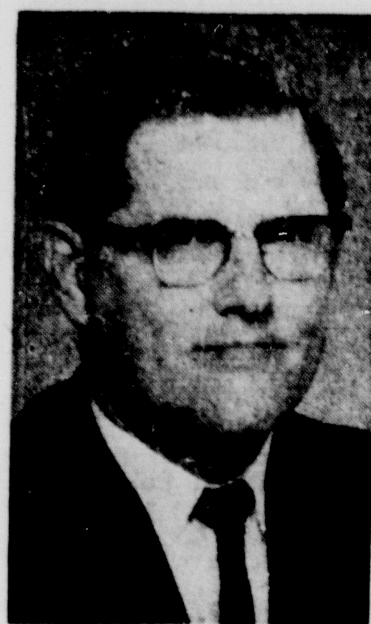

"It might be one year or three years," the head of the Revolutionary Recovery Movement said in a statement his office delivered to the Miami Herald. Artime's whereabouts remain secret.

Jobless Father Of Quads Hopes He Can Get Work

NEW YORK (AP) — "I'm happy; I'm stunned," says the father of quadruplets. "I hope God will get me a good job in the construction industry."

Salvatore Peloro's wife, Maria, 30, gave birth to the quads Tuesday. She and the infants were reported in satisfactory condition today. The boy weighed 2 pounds, 13 ounces and the girls 2 pounds; 2 pounds, 8 ounces; and 2 pounds, 13 ounces.

The couple has two other children, aged 3 and 5. Peloro, 35, a plumber, says he
